

Reflection and Self-Evaluation of the Interview

Based on your interview, complete the following reflection questions and self-evaluation. This handout is to be completed after you have conducted your interview with the interviewee.

1. Rate your interview out of 10 (0 being awful and 10 being excellent): _____

2. What went well in your interview?

3. If you could go back and change one thing in your interview, what would you change and how?

4. What surprised you that most in the interview? (ex: something that was said, body language, emotions):

5. Have your thoughts changed about the word immigration? If so, how?

6. In one powerful word, how would you describe the act of immigrating to Canada?

7. Choose three things that connected with you during the interview (ex: something they said that really made you think, or made you feel a certain way)
