

Guess Who: Hats Edition Instructions

- Gather all materials for this activity you will need:
 - Lesson print outs
 - Blue and red construction paper
 - Glue
 - Scissors
- Glue the Printouts onto construction paper. Be sure to make one version of the character cards red and one blue.

- Cut out biography and hat cards along the provided lines.
- Fold the Player screen along the line.

Playing the Game

Set up the game as shown. The screen is in the middle with the biography cards leaning up against it on either side. Players ask yes or no questions about the other player's hat to try and find out which one it is. When a question rules a hat turn it over until only one is left. The player to correctly guess the other player's hat wins!
